

PRODUCT INTRODUCTION

Tornado 400 FX Wash is an innovative IP washing moving head, combined with 7x40W and 60W RGBW LED, one LED ring effect and great optics design. It is built in HSIC system, mixing color much easier and faster, creating a brilliant color effect. Extremely perfect dynamic effect by individual pixel control. Wide zoom range from 5°-35°. Small compact with a very light weight 22KG. It is an ideal product for outdoor concerts/events, commercial complex, theme park, amusement park and landmark building.
