

# SPOT LIGHT

## PIXI MID

### AM1441XLET-1206

PIXI PRO adopts the new RGBL four-in-one light source, with intelligent temperature control system, high color saturation, excellent color mixing effect, creative DMX dimming technology, which help architectures to present more artistic effect. With advanced RDM functions, the new spot can provide the real-time feedback for malfunction and working status, reducing the cost for troubleshooting and maintenance.
