

SC3

AUROCYC 180 HEX IP

PRODUCT INTRODUCTION

AUROCYC 180 HEX IP is an innovative IP65 CYC, with full spectrum color LEDs optic, superb even color mixing, and it comes with Yajiang Patented CCS3.0 intelligent color consistency system, built-in 1800K-10000K high CRI CCT and 48 special selected colors.

The AUROCYC 180 HEX IP is an all-purpose CYC fixture for both indoor fixed installation and outdoor touring application.

PRODUCT PARAMETERS

Optic System

Light source	RGBALC
Angle	70°
CRI Ra	95 CRI R9 50
TLCL	80 CQS 90

Appearance

Size	530x170x126mm
Weight	6kg
Casing	Die-cast Aluminum
Color	

Electrical

Voltage	AC100-240V
Power	160W
Power Connection	Power in/out
DMX XLR	DMX in/out

Control

Dimmer	16Bit
Cooling	Direct convection
Protocol	RDM/DMX

Display	On board Control, Custom Mode, 0-25Hz Strobe
Personality	BASIC(3CH), SSP(8CH), TOUR(13CH), TR16(20CH), HSIC(7CH), CMY(10CH)

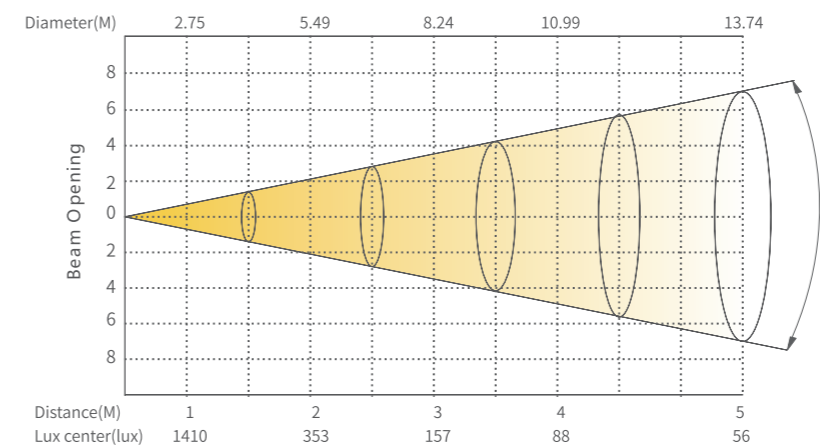

Certification

CE Certification

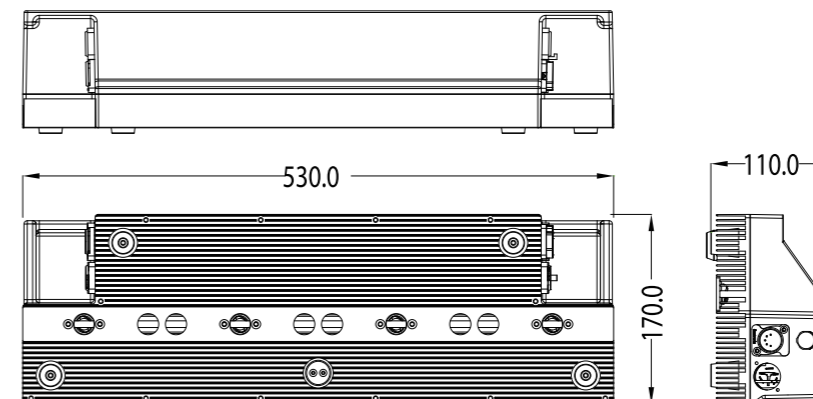

Working Environment

Ambient Temp	-20°C-45°C
IP Rated	IP65
